

**CITY OF DAHLONEGA  
REQUEST FOR PROPOSAL (RFP)**

**N. PARK STREET DEMOLITION PROJECT**

***AMENDMENT #2***

The RFP released on September 28, 2016 included asbestos abatement in the Scope of Work and assigned the Contractor with responsibility for identification of any regulated materials. Amendment #1 indicated the City of Dahlonega would provide a hazardous material survey to contractors and the selected contractor would be responsible for proper disposal of regulated materials, including asbestos and any other hazardous materials, based on the findings disclosed in the hazardous material survey provided by the City. This amendment relieves the contractor of that responsibility. The City of Dahlonega will perform hazardous material removal prior to demolition and **NO HAZARDOUS MATERIALS REPORT WILL BE PROVIDED TO POTENTIAL BIDDERS**. The contractor **WILL NOT** be expected to perform these tasks and **SHOULD NOT** include a bid for these services. Specifically, these services include Item 2.0 (a) of the original Request for Proposal. In addition, the first bulleted point in section 2.0 will not be included. All other requirements, specifications and standards in the original RFP are still in effect.

The “Proposal Due” date shown in Amendment #1 is correct. Proposals will be received by the City of Dahlonega, Purchasing Department, 465 Riley Road, Dahlonega, Georgia 30533 until 2:00 PM local time on Friday, November 18, 2016.

**PROPOSAL CLOSING DATE            November 18, 2016, 2:00 PM**
